

# CM T-Fix™

CM ProLine

Fast and stable fixation of the head.

Every package comes with a complete head fixation.

- ✓ HYGIENIC
- ✓ TIMESAVING
- ✓ SAFE  
IMMOBILISATION

#### PRODUCT INFORMATION:

CM T-Fix is a single use head fixation for trauma mattresses. Every package comes with one cushion, two straps for the head and a girdle for fixation. The material is enviromentally friendly, consisting of polyurethane and polyester.

The girdle is waterresistant.

The head can be easily and quickly immobilized using the disposable polyeter head cushion. The cushion is attached with velcro direct to the girdle.
