	<b>AW42610</b>	Mobile storage system 10 pieces of clothing

## AW426 – Mobile System for X-Ray Protective Clothing

The AW426 mobile system is easy, comfortable and safe to move. The combination of two hanger parts allow costumes in particular to be hung up quickly, easily and stored properly. The offset of the hangers means that coats and front aprons can also be stored carefully.

- **Functional metal construction**
- **For X-ray protection clothing** (5 or 10 pieces of clothing)
- **Optional: Accessories basket** (Article-No. AW426K, max. two baskets can be attached on each side)  
**Accessories holder** (Article-No. AW426S, one holder can be attached on each side)
